

Greetings!

August is often a time of transition. August signals the start of school, the California legislature is back in session and budget season begins! Additionally, our Chapter is currently transitioning management. We are excited to welcome Erik Rosales as Executive Director starting today, Monday, August 7, 2023.

Erik has nine years of industry association management experience and has managed six separate professional associations of anesthesiologists and ophthalmologists with tasks ranging from membership management, annual conference planning, project management, governance liaison, marketing, and more. He received his Bachelor of Arts in Psychology and Spanish from the University of California, Berkeley.

Rachel Selwan of New Level Mgmt. LLC will be working alongside Mr. Rosales for three months to assist with this transition.

We look forward to this season of transition and new changes ahead.

Best Regards,
Laura Ravazza, PCAM
CAI BayCen President
